

Directions: Look at the pictures and write in your thoughts under each column.

Picture Number	What do you see? What environmental issue do you think this is?	What are the causes of this issue?	What are the effects?
1 Air pollution in Mexico	Answers will vary.	Factory + coal power plant emissions and vehicle exhaust.	Respiratory conditions, diseases, heart problems, and the ozone layer is being broken down.
2 Air pollution in Mexico	Answers will vary.		
3 Deforestation in Brazil	Answers will vary.	The need for farmland + living space, demand for cheap labor, and little funding to enforce laws restricting logging.	Loss of habitat, climate change, and less oxygen for the world.
4 Deforestation in Brazil	Answers will vary.		

Sentence, Phrase, Word Directions: Write a sentence, a phrase, and a word describing the following issues:

- Air pollution in Mexico: _____

- Deforestation in the Amazon: _____
